

# **Patient Monitoring: Market Shares, Strategies and Forecasts, Worldwide, 2016-2022**

## **Table of Contents**

### **Patient Monitoring: Executive Summary**

The study is designed to give a comprehensive overview of the Patient Monitoring equipment market segment. Research represents a selection from the mountains of data available of the most relevant and cogent market materials, with selections made by the most senior analysts. Commentary on every aspect of the market from independent analysts creates an independent perspective in the evaluation of the market. In this manner the study presents a comprehensive overview of what is going on in this market, assisting managers with designing market strategies likely to succeed.

<b>Patient Monitoring Systems Executive Summary</b>	<b>33</b>
Patient Monitoring Systems Market Driving Forces	33
Hospital Cardiac Patient Monitoring Company and Technology Challenges	36
Patient Monitoring Market Shares	37
Patient Monitoring Market Forecasts	39
<b>1 Patient Monitoring Market Description and Market Dynamics</b>	<b>41</b>
1.1 Transforming Health Care Landscape Provides Opportunity	41
1.1.1 Quality Healthcare Delivery	46
1.2 Advances In Remote Patient Monitoring	46
1.3 Vendor Positioning in Hospital Patient Cardiac Monitors	47
1.3.1 Improving Supply Chain Efficiency	48
1.3.2 Vendors Seek to Become More Competitive	48
1.4 Multi-Parameter Patient Monitor Market Shares and Market Forecasts	49
1.5 Healthcare Markets	50
1.6 Wireless Patient Monitoring	53

1.6.1	Wireless Patient Monitoring Category	54
<b>2</b>	<b>Patient Monitoring Systems Market Shares and Market Forecasts</b>	<b>55</b>
